Property Description

Our LiveAlgarve Team introduces a buildable plot in a peaceful residential area with countryside views near the village of Odiáxere and the Ria de Alvor.

The land allows for the development of a detached home of 195,5 m² spread across three levels: basement, ground floor, and upper floor. A private swimming pool and a small garden area can also be ideal for outdoor relaxation or low-maintenance landscaping.

The plot's elevated position provides views of the natural surroundings.

Ideal for building a custom residence in a low-density area with easy access to nearby towns, beaches, amenities, and natural walking trails.
