Property Description

Positioned in the residential area of Parque do Moinho in Lagos, this well-maintained ground-floor apartment offers a balanced combination of comfort, functionality, and outdoor living in a private condominium with a shared swimming pool and sun terrace.

The interior has been thoughtfully arranged to maximise everyday convenience. A bright living and dining area forms the heart of the home, creating an inviting setting for quiet evenings and entertaining guests. Large openings connect the living space to a well-sized balcony overlooking the communal pool, providing an extension of the interior for much of the year.

The spacious, fully equipped kitchen is designed for practical daily use and has direct access to the balcony.

Accommodation comprises two comfortable bedrooms, both fitted with built-in wardrobes that offer excellent storage. The principal bedroom benefits from an en-suite bathroom and a private balcony, creating a pleasant retreat with additional outdoor space. A second bathroom serves the remaining bedroom as well as visitors.

The apartment is in good condition and is sold partly furnished, allowing the new owner to move in with ease while leaving scope for personal touches. Individual heating contributes to year-round comfort.

Set within an established condominium, residents enjoy access to the communal swimming pool and terrace, creating an attractive environment for relaxation without the maintenance of a private garden or pool.

Its location in Parque do Moinho places a wide range of amenities, the historic centre of Lagos, the marina, beautiful beaches, restaurants, cafés, and golf courses within easy reach. This property could appeal equally as a permanent residence, a holiday home, or an investment in one of the Algarve's most desirable coastal destinations.
