Property Description

Set in the peaceful village of **Bordeira**, in the municipality of **Aljezur**, this construction plot offers an attractive opportunity to create a home in one of the Algarve's most unspoilt coastal regions.

Bordeira retains the authentic character of a traditional Portuguese village, with whitewashed houses, tiled roofs, narrow streets and a tranquil rural atmosphere. The setting is ideal for living a natural, relaxed lifestyle while staying close to some of the most spectacular beaches of Costa **Vicentina**.

This **West Algarve** coastline is impressive, with **Praia da Bordeira**, about 5.5 km from Bordeira village, known for its sandy beach, dunes and dramatic cliffs. Nearby **Carrapateira** is a popular destination for surfers and nature lovers, with restaurants, cafés and a relaxed year-round atmosphere. From here, **Praia do Amado** is also easily reached, one of the Algarve's best-known surfing beaches and regularly used for surf and bodyboard activities.

Further north are **Praia do Penedo**, **Praia do Canal**, **Praia da Arrifana**, **Praia de Monte Clérigo** and **Praia da Amoreira** . Continuing north towards Rogil are **Praia da Carriagem**, **Praia de Vale dos Homens** and **Praia da Samouqueira**. **Praia de Odeceixe** lies further north on the border between the Algarve and Alentejo. These locations offer everything from powerful Atlantic surf and dramatic cliffs to sheltered river beaches and quieter stretches of sand.

Aljezur town centre is about 16 km from Bordeira , providing convenient access to amenities, supermarkets, restaurants, schools and local services. The main coastal areas around Aljezur are generally within 8 to 15 km of the town.

The setting combines the best of the western Algarve: authentic village life, easy access to the **Costa Vicentina Natural Park**, spectacular Atlantic beaches and a strong connection to nature, hiking, cycling and surfing. **Lagos is about 35 to 40 km away**, making this building plot an appealing location for a permanent home, holiday retreat or investment project in a part of the **Algarve** that remains natural and uncrowded.
