Property Description

LOCATION: This Mid-century modern style house lies in the first line directly at sea, boasting a fantastic view over the Atlantic Ocean. The bay of Praia do Paradiso of Carvoeiro is known for its beauty, crystal-clear water and large groups of dolphins passing by. In addition, the home benefits from its splendid South orientation, catching lots of natural light and Algarve sunshine. You can truly call this spot a prime location.

The picturesque coastal village Carvoeiro has all amenities for you right at hand, and you reach the beach in 2min by foot. Shops, Restaurants & Bars, Golf resorts, national and international schools, health services, sports facilities, etc. are almost at your doorstep. The international Faro (FAO) airport is a 40min drive via the A22 highway.

SIZE & FEATURES: The 4-level estate (including the basement) offers on 300m²: 6 bedrooms (2 suites) and 4 bathrooms. Three bedrooms and 1 bathroom lie on the ground level.

The first floor is a self-maintained apartment, which you can reach through a separate entrance if wished. On the second floor, you find an entrance hall, a vast living/dining area with a fireplace, 2 bedrooms en suite, an equipped kitchen and a service bathroom. Fantastic, generous terraces and balconies connect the interior with the exterior par excellence. Magnificent sea views greet you, and you can enjoy the lovely Algarve climate outdoors all year round. The 4th level comprises a mezzanine bedroom. The garage is in the basement, and outdoors you have enough space to park up to 6 cars.

Due to the construction year(1971), the property needs to be updated. However, the building is in good used condition, and for lovers of the mid-century style, here is the right property to purchase.

Enjoy the high standards in this area and make the most of the glorious Algarvian lifestyle!
