## Property Description

Are you hunting to purchase a new home and in the market for a new residence because you are moving to Portugal, upgrading your current home, or seeking a lifestyle change in the sought-after Algarve?

We have 4 construction plots with approved building projects for sale. The sales price includes the construction and architect fees, and the layout is still customizable to your needs. In this residential development, are already villas finished like the show house in our pictures. They showcase the design, layout, finishes, and amenities the 2- level homes in the development have to offer. You can get an idea a feel for the quality of how the properties can look once they are lived; different features and upgrades are available.

**LOCATION:** The new development lies on the outskirts of Lagos in the parish Portelas. The modern houses will have a habitable area of 161m<sup>2</sup>, and the plots have 305m<sup>2</sup>. Portelas is a typical Portuguese village, and you find grocery shops, Restaurants, Cafés and bars here. The vibrant Lagos city center with its Marina is a few minutes by car. Supermarkets, shops, beaches, golf resorts, schools, health services, sports facilities, public transport, etc., are within easy reach. The international Faro (FAO) airport is less than 1 hour via the A22 highway.

**ALGARVE** has a Mediterranean climate with warm summers and mild winters. Here you will find a lovely location to live comfortably year-round near the charming Lagos old town and several beautiful beaches. Buying this property allows you to build your dream home, perfect as a permanent residence and for lucrative touristic rental.
