Faro International Airport is accessible within 75 minutes.

Elegant Interiors and Open-Plan Living

Upon entering, a welcoming hall connects to the open-plan living and dining area, featuring floor-to-ceiling glass doors that lead to a spacious balcony overlooking the gardens, pool, and golf course. A cozy log burner adds warmth during cooler months, and architectural details such as pillared arches create a refined aesthetic. The property comes for sale fully furnished.

Gourmet Kitchen

The state-of-the-art kitchen includes a natural stone island and premium appliances like a Bora induction hob, two AEG ovens, an American-style fridge-freezer, and a wine refrigerator. The adjacent utility room provides ample storage with an AEG washing machine, tumble dryer, and sink. Patio doors open to a covered BBQ terrace, perfect for alfresco dining.

Luxurious Bedrooms and Suites

The upper level hosts a grand guest suite with a double bedroom and sitting area, sharing a stylish Jack & Jill bathroom with a large walk-in shower. Both rooms have direct access to a balcony that spans the villa's length. The lower level accommodates four spacious bedrooms with a private bathroom and terrace access. The primary suite also includes a walk-in wardrobe.

Outdoor Features and Entertainment

Generous terraces surround the heated swimming pool, ideal for lounging or entertaining. An outdoor kitchen and shower area enhance the poolside experience. Additional features include a storage room and a pool pump room below the pool area, adding functionality to the space.
