Описание

Portuguese Farmhouse lies on a 50.600 m2 plot and is only a few steps away from the fabulous Cabanas Beach. The refurbished building provides two separate units, one with 2 bedrooms and the other with three. Both apartments feature a touristic rental license (AL) and are very well booked. You will find the house surrounded by a nice terrace giving great looks to the countryside. This property is ideal for keeping horses; it is fully fenced, offering two riding arenas. The current owners provide riding holidays with the possibility of taking a ride on the nearby beach. That plot pampers with its excellent unique location, planted with palm trees, Oleander, almond, and olive trees. There is the possibility to extend the built area for a rural tourism project up to 600 m2. If you would like to invest in a farming project, it will be realizable to add stables and warehouses. We look here at an attractive investment opportunity, call Live Algarve for more information and to book your private viewing.
